RE: *An Act Modernizing Firearm Laws* – Guidance #3

The Executive Office of Public Safety and Security (EOPSS) and its agencies continue to work on implementing Chapter 135 of the Acts of 2024, *An Act modernizing firearm laws (Act)*, that took effect on October 2, 2024. We understand that many questions remain about the new law, and therefore we will continue to provide updated guidance periodically as new systems and policies are developed and various provisions of the new law go into effect.

Below is a list of “Frequently Asked Questions” which includes the answers that were previously provided in Guidance #1 and Guidance #2.
